Dear JLS Childcare Team Families,

Great News! After listening to the Governors address yesterday, we are opening up Monday, May 18th to everyone!

We will continue to follow all the states guidelines pertaining to COVID, as well as, what we always do each day in keeping our children and staff safe.

Our Directors have been reaching out to each family to ensure your child's spot, if you have not heard from them please call the center. We need to confirm your enrollment as soon as possible, as we will begin filling unclaimed spots with families from our waiting list needing to enroll.

We will continue listening to our local, state and federal officials. If there are any changes we will continue to reach out via Facebook or email.

Thank you for your understanding, our #1 priority continues to be the health and safety of our children and staff.
